Hey @ajc, my staff spell checked for you this morning.

My campaign is giving away a "rifle," not a "riffle." We used it in a campaign "ad," not a campaign "aid."

Thank you @SenTedCruz

Senator Ted Cruz @SenTedCruz

Following @netflix's disturbing promotion of "Cuties," I sent a letter calling on @TheJusticeDept to investigate whether Netflix, its executives, or the filmmakers violated any federal laws against the production and distribution of child pornography.

Tulsi is right! And @MelissaRyan is a moron.

Defending children from child abuse & pedophiles is NOT a political issue.

#Cuties is sick

As a Mom, protecting kids is #1

L and R should always come together to #SaveTheChildren

And stop the morons. twitter.com/melissaryan/st …

Radical leftists & democrat activists in the media think defending children from pedophiles is a bad thing.

You can't even make this up

Let me be crystal clear.

With every cell in my body, I will always defend children and stop evil pedophiles.

She's 100% right. This shit has to stop. These people and the democrats viciously defending it are trying to normalize pedophelia!!!

Tulsi Gabbard @TulsiGabbard
.@netflix child porn "Cuties" will certainly whet the appetite of pedophiles & help fuel the child sex trafficking trade. 1 in 4 victims of trafficking are children. It happened to my friend's 13 year old daughter. Netflix, you are now complicit. #CancelNetflix

Can you imagine how the Fake News Media would react if Trump supporters tried to block access / break into a hospital while two LEOs fought for their lives?

The AR-15 is also the most popular hunting / sporting rifle in America

Yesterday I said anyone in government or the Fake News who defends #Cuties should be EXPOSED

Sure enough today, @axios is attacking any condemnation of pedophilia and child porn we see in #Cuties as linked to a "conspiracy theory"

#Cuties went low

Fake News going even lower

> Republican politicians are propelling a growing boycott of Netflix in response to the streamer debuting a French film called "Cuties" that denounces society's hyper-sexualization of young girls on social media.
>
> **Why it matters:** Their condemnation of the film is linked to a child sex trafficking conspiracy theory central to the QAnon movement. Conservatives are using the conspiracy to target Netflix for its ties to Democrats, including its partnership with Barack and Michelle Obama.

It shouldn't take polling to convince the Speaker of the House that rioting is lawlessness.

She should already know that.

Nancy Pelosi is the worst Speaker of the House in history.

Democrats seem to have trouble following election laws.

Under Georgia code, a candidate who withdraws from the race with less than 60 days until the election cannot be replaced.

Regardless, I'd still win bigly!

In 2016, nine months before an election, we Republicans said that the next president should fill a Supreme Court vacancy. Today, six weeks before an election, we should hold the same position. Preserving the institution of the Senate should be paramount to any political gain.

Overnight, Dr. Adeline Fagan succumbed to COVID19. Another bright light gone too soon. At 28, her fellow obgyn residents knew her as radiating kindness.

To her sisters and family, I grieve with you.

To my fellow healthcare workers, please continue to be careful. She is us. 😢

Thank you, @mattgaetz, for your kind words.

Republicans should OPPOSE endless wars, OPPOSE nation building, and OPPOSE needlessly spending American lives and treasure all over the world.

TRILLIONS of $$$s spent in the Middle East over 20 years for what?

twitter.com/SecretsBedard/ ...

"The thing about Marjorie is that she actually front loads the America First elements of her policy views," said Gaetz.

Noting that one of his chapters in his book addresses "endless wars" and the need to avoid them, Gaetz said, "Marjorie Greene, in a little old district in Georgia is making a major case about American pragmatic foreign policy and that is, I think, very motivating to those of us in the movement who want to see a shift away from the neocon worldview."

Let us pray for the woman that @realDonaldTrump is about to nominate to #FillTheSeat

Father, strengthen her faith, build her courage, and protect her and her family.

God give us a Pro Life champion so we may end abortion in America.

Hey Democrats. Quick question.

If I choose not to wear a mask, is it still "my body-my choice"? Or not this time? 🤔

You have just revealed the true nature of the left. You see, none of their promises nor philosophies benefit the individual. In the end, it is only the collective that you serve, and the left left benefits.

Ask them react to "No my mind is not for rent, by any god or govt."

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

As a blonde woman, I would like to take a moment to thank Congresswoman @AOC.

She has single handily put an end to all “dumb blonde” jokes.

Blondes everywhere appreciate your service and your sacrifice!

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

Truth: @lucymcbath is a hard-core Pelosi #Socialist who voted to impeach @realDonaldTrump, endorses so-called "peaceful" riots, wants to defund the police, raise taxes, ban guns & implement the Marxist BLM / Antifa Green New Deal Agenda on America.

VOTE HER OUT!

NEW: @SpeakerPelosi's latest impeachment threat is proof she would rather use her post as speaker to weaponize the chamber than as a means of accomplishing anything of substance for the country. She must be removed from the speakership immediately.

Angry, not focused, and making bad decisions like saying she will impeach @realDonaldTrump just to block his SCOTUS pick.

I believe Kyle Rittenhouse is an innocent child.

I believe he acted in self defense against anarchist criminal thugs who were attacking him and trying to kill him.

I'm fed up with the media & the left defending riots, anarchy, and insurrection.

Soon I'll be in Congress.

Trump has paid for his mistresses to have abortions. This is all pandering. He doesn't care if doctors know the baby will have irreversible and/or life-threatening abnormalities that would cause it to suffer. Some parents wouldn't want that and would prefer to end the pregnancy.

I wouldn't care so much about the contract, if $1.5 billion in housing would have actually been built. At $50K each (a mansion in Iraq) that's 30,000 homes. There's a lot of USA towns with nowhere near that many homes.

US House candidate, GA-14

I believe Kyle Rittenhouse is an innocent child.

I believe he acted in self defense against anarchist criminal thugs who were attacking him and trying to kill him.

I'm fed up with the media & the left defending riots, anarchy, and insurrection.

Soon I'll be in Congress.

The evil left is going to attack Amy Coney Barrett for being a Catholic mother.

Apparently believing in God and having 7 children (2 adopted) is absolutely horrifying to the left.

As if supporting riots wasn't enough, the left is about to give an encore on why to vote Trump.

You have just revealed the true nature of the left. You see, none of their promises nor philosophies benefit the individual. In the end, it is only the collective that you serve, and the left left benefits.

Ask them react to "No my mind is not for rent, by any god or govt."

If the Dems steal the election, I'll be on the front lines fighting to stop the unconstitutional mask mandates.

Just two weeks ago, The Squad accused me of inciting violence with a meme.

These women are professional victims, playing their part for the media.

Yet, the death threats keep rolling in for me as their party endorses the violence in the street and the media fans the flames.

> **Congresswoman Rashida Tlaib** @RepRashida
> 🚨BREAKING🚨: I just introduced a resolution recognizing violence against women in politics is a global phenomenon with @RepAOC, @Ilhan, @RepPressley & @RepSpeier.

@AOC and her lackeys have helped bail ANTIFA/BLM thugs out of jail while @IlhanMN's district burned.

Spare me with this faux outrage when you'll stay quiet while Democrats rip Amy Coney Barrett to shreds.

Wasn't @RepRashida the one, upon winning a seat, manaically screamed "..impeach the mother**cker!" So they did that and now what? No change in their represented district's well-being, in fact things have worsened since they took office. They have no love for the Constitution.

The radical left in America wants to defund our law enforcement officers and bail out violent criminals who burn buildings and destroy private property. They want anarchy. When you go into vote on November 3, vote for the candidates who support law and order, not chaos!

Can someone tell the Democrats to stop with the racism?

None of us stood in line and got to choose our skin color before we were born.

We are ALL equal. Thank God!

I think we should stop radical leftists like George Soros from funding the destruction of America.
Happy to talk about it.
As a matter of fact, I talk about it all the time.

It's hard to imagine corrupt people, who will lie to the American people in order to clinch power at all cost.

But it's unimaginable that America's media would willingly broadcast the lie.

24/7 for 3 and 1/2 years

Without apology.

Almost like the media was in on it.

I own a construction company.

I'd love to hear Chris Wallace explain, oh I mean Joe Biden explain how much it cost for Americans to "weatherize" their homes.

Bc under @AOC's plan, oops Joe's plan, weatherizing will be paid for by the people.

And that's NOT cheap

Joe Biden LIED to every single American tonight.

This is directly from his website.

He calls @AOC's Green New Deal a 'crucial framework!'

That means he wants to go even farther and kill even more jobs.

Vice President Biden knows there is no greater challenge facing our country and our world. Today, he is outlining a bold plan – a Clean Energy Revolution – to address this grave threat and lead the world in addressing the climate emergency.

Biden believes the Green New Deal is a crucial framework for meeting the climate challenges we face. It powerfully captures two basic truths, which are at the core of his plan: (1) the United States urgently needs to embrace greater ambition on an epic scale to meet the scope of this challenge, and (2) our environment and our economy are completely and totally connected.

Relax @IlhanMN, it's just a meme.

What isn't a meme is BLM / ANTIFA violence, rioting, and destruction that occurred on Minneapolis streets.

While your city was being burned and innocent people of color like David Dorn were killed, you called BLM / ANTIFA peaceful protesters.

When will this pathetic Congress pass a resolution condemning Communist Antifa and Marxist BLM?

They burn cities, violently attack innocent people, shoot police, and cause millions of dollars in damage to businesses and federal property every single day!

Congress is failing!

I would think at that price governors and mayors would want their cities and states open to take advantage of the economic gains they could have in order to close the deficit. I guess being evil makes more sense to them.

Relax @IlhanMN, it's just a meme.

What isn't a meme is BLM / ANTIFA violence, rioting, and destruction that occurred on Minneapolis streets.

While your city was being burned and innocent people of color like David Dorn were killed, you called BLM / ANTIFA peaceful protesters.

You have just revealed the true nature of the left. You see, none of their promises nor philosophies benefit the individual. In the end, it is only the collective that you serve, and the left left benefits.

Ask them react to "No my mind is not for rent, by any god or govt."

Classic race baiting and typical divisive lies @AOC

Here is how you disagree without hate, I'll start.

I will stop your Green New Deal bc it's policies will wreck our economy & jobs, and turn our gov into socialism. It will hurt the very people you claim to help.

Your turn.

I wish the President and the First Lady a complete and swift recovery. I have taken comfort in II Kings 20, about the recovery of King Hezekiah: another leader, another reformer, another extraordinary political figure who restored his nation's values and overcame the odds. (2/12)

It is nice to see (some) Democrats wish Trump well.

It is INTOLERABLE that this is the first time most have done so in four years. They only acknowledge his presidency once he faces a life-threatening disease.

@JoeBiden compared Trump to Nazi Joseph Goebbels on Saturday. (3/12)

It is not shocking that other Democrats are gloating and celebrating. They are blinded by their hatred and no longer have boundaries. This is how they behave when they need your vote. Think about what they will do if they have full political power and what their goals are. (4/12)

National Democrats resisted any unity or cooperation with Trump when it counted most, in March. Biden and Sanders both attacked him and his travel ban. Pelosi gave a national address without even mentioning the president

It's time America had a balanced budget.

If I ran my company the way Congress runs the federal government, I'd be out of business.

Private businesses don't have money printing machines and unlimited borrowing.

Neither should the government.

Time to rein it in.

Great to hear!
@realDonaldTrump is a true leader who didn't go hide in a basement while our country has faced this crisis!
We don't want a President that hides in a basement.
We want a President who fearlessly leads on the front lines in a fight!
Go Trump!
Get well soon!

The Department of Justice and FBI's leadership is needed to bring to justice those who have funded these criminal organizations and to give justice to the communities who have been devastated by these individuals and organizations.

Joe Biden wants to force the job-crushing Green New Deal on every man, woman and child in America.

Part of the Biden-AOC Green New Deal is weatherized homes.

These economy-wrecking regulations would force the price of homes to SKYROCKET ($30k-$50k more per home)!

Joe Biden wants to force the job-crushing Green New Deal on every man, woman and child in America.

Part of the Biden-AOC Green New Deal is weatherized homes.

These economy-wrecking regulations would force the price of homes to SKYROCKET ($30k-$50k more per home)!

My stance on the Green New Deal is to put it through the paper shredder. @AOC 😘

Raising taxes and turning America into a socialist country does nothing to climate change.

Destroying the oil and coal industry just kills our American economy and allows China to win.

I remember when the Fake News said Antifa doesn't exist.

There are hundreds of Antifa groups with thousands of followers on Facebook and Twitter but Jack and Zuck look the other way.

Your meddling in my election didn't hurt me either.

America is ready for Republicans that fight back.

If I choose not to wear a mask, is it still "my body-my choice"? Or not this time? 🤔

You have just revealed the true nature of the left. You see, none of their promises nor philosophies benefit the individual. In the end, it is only the collective that you serve, and the left left benefits.

Ask them react to "No my mind is not for rent, by any god or govt."

If I choose not to wear a mask, is it still "my body-my choice"? Or not this time? 🤔

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

THIS IS BLATANT CENSORSHIP!

Facebook consistently violates the First Amendment.
FB appoints itself the judge of whose opinion and whose speech matters.
First conservatives, now news that it doesn't like.
No freedom for conservatives and now no freedom for the press.

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

During Joe Biden's 47 years in Washington, DC, the Biden Crime Family has yet to create one private sector job. They use government contracts (Iraq) and get in bed (literally) with Ukraine and China to enrich themselves. And "Pop" gets half!

I love when leftists say “kIds ArE oFf LiMiTS” any time Hunter Biden gets brought up.

First off, Hunter isn’t a “kid.” He’s a corrupt, crackhead, who enriched himself and his family by selling access to WH

Second, the left has viciously attacked ALL of Trump’s kids for years!

Dangerous rhetoric?

.@AOC please ... no one cares about typos.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

While you were growing up in socialist boot camp, I was creating 1000s of jobs, $250 million in revenue in 11 different states.

Your Marxist GND will destroy millions of jobs.

And I'm going to put it through the paper shredder.

Tragically, many members of the media are Antifa apologists.

Completely worthless and disconnected with the American people.

They use their platform to spew hate and division to the people while refusing to cover the Russia/Trump lie, Hunter Biden, and riots.

Greatly appreciate Collins for defending Trump but as a business owner, I look at voting records aka actions.
I want strong conservatives.
@KLoeffler is ranked 100% conservative by Heritage and votes with @realDonaldTrump 100%.
Her legislation is solid.

Governors and all elected officials work for the people who elected them and pay taxes that pay their salaries.
Politicians are the ones who should watch their backs bc the people hold the power. Not the other way around.

.@JoeBiden will kill our country.

In his first 100 days:

•Repeal Trump Tax Cuts - doubling our taxes

•Pass the energy destroying, job crushing Green New Deal - no oil, no nuclear, no coal, no fracking - cost $100 TRILLION!

That's just 2 items from his communist manifesto.

The vast majority of our nations health problems can be solved by movement, healthy eating, and sleep.

Imagine a curable problem that we don't get up and fix.

Instead we sit and suffer in it.

Then discuss tax payers being forced to pay for the unnecessary problem.

This tiny-windows thing is a figment of Trump's imagination. And the $100 trillion figure for the Green New Deal is a hotly disputed estimate from a conservative group, honestly, the GND is too vague, just a congressional resolution on principles, for any costing-out.

❗ MUST WATCH VIDEO ❗

A Harris-Biden presidency would IMMEDIATELY eliminate the $2,000 tax cut for the average American family signed into law by President Donald J. Trump.

Kamala and Joe are LYING to the American people when they say they'll only increase taxes on "the rich."

The extra money you saw in every paycheck after President Trump's historic tax cuts: GONE.

GOOD!

The left claims to "care about the children," yet they're shoving this sexual exploitation in the faces of people not just in America, but acround the world.

Don't give them your money!

To end abortion in America, we have to keep @realDonaldTrump in the White House.

Get out and VOTE EARLY!

We can't let abortion-worshipping Democrats take over this country.

> **LifeNews.com** @LifeNewsHQ
> Kamala Harris has a 100% pro-abortion voting record.
>
> She's voted against banning late-term abortions, voted to force Americans to fund abortions and even voting against protecting babies from infanticide!...

I'm proud my friend @RepVernonJones sees how racist white "woke" celebrities like @chelseahandler really are.

If @JoeBiden wins, Chelsea won't be able afford her own taxes, let alone @50cent's.

And the IRS doesn't accept sexual favors as bribes.

> **Vernon Jones** @RepVernonJones
> White liberals will do anything to keep Blacks on Democrat's Plantation. @chelseahandler's comments insults the Black race. She & @jimmyfallon are ordering you to vote for @JoeBiden bc you're Black. Lynch me, I'm not, I'm voting for @realDonaldTrump. hiphopdx.com/news/id.58651/...

One of my supporters sent me this picture today of Buckhead being boarded up ...

They're preparing for radical, left-wing Socialist Democrats to commit violence and destruction.

ARIZONA ELECTION UPDATE:

I optimistic that President @realDonaldTrump will win AZ when all legal ballots are counted.

I've gone through this same experience in our state before. I was down on election night, & by the end of the week, I won when all legal ballots were counted.

THE TREND FOR PRESIDENT TRUMP AND MANY OF THE OTHER REPUBLICANS IN THE STATE IS MOVING IN THE RIGHT DIRECTION.

If the president's numbers, or other Republicans' numbers, were not improving as more ballots were tabulated, then there would be a real problem.

ANTIFA has declared war on our country.

@realDonaldTrump responded by declaring them a domestic terrorist organization.

Here's my message to ANTIFA terrorists:

Stay the HELL out of NW Georgia.

You won't burn our churches, loot our businesses, or destroy our homes.

Losing fair and square is one thing but in the face of all of this video evidence, lack of transparency, boarding up of windows, fighting to prevent poll watching etc etc... for GOPers to not stand up now shows your true colors.

When America sees everything we are uncovering they will be disgusted and even the media won't be able to pretend voter fraud isn't real.

Ending this crap once and for all will be fundamental to preserving our republic and faith in democracy.

Why are you "leading" with losing?

Our Republican base is sick and tired of weakness coming from Congress.

Fight.

I hope you'll join me.

Every single Republican in Congress better toughen up and get in this fight FOR @realDonaldTrump!

If you don't, these gains in the House will mean nothing in 2022.

If you don't fight for Trump, The People will remember, and they are with Trump.

As am I.

Don't repeat 2018.

Fake news showed up to our Madison #StopTheSteal rally. They called it a “clash” between Trump/Biden supporters

There was no clash & the BLM activists said they weren’t Biden supporters

They told us they didn’t vote for @JoeBiden & that they want to stop voter fraud too 🤷‍♂️

I read every word.

Why are you “leading” with losing?

Our Republican base is sick and tired of weakness coming from Congress.

I’m doing exactly what the people of NW Georgia elected me to do.

Fight.

I hope you’ll join me.

I read every word.

Why are you "leading" with losing?

Our Republican base is sick and tired of weakness coming from Congress.

I'm doing exactly what the people of NW Georgia elected me to do.

Fight.

I hope you'll join me.

The time to STAND UP for @realDonaldTrump is RIGHT NOW!

Republicans can't back down.

This loser mindset is how the Democrats win.

President Trump has fought for us, we have to fight for him.

We won't forget. Trust me.

Why is @Twitter lying and labeling my tweet saying,
"This claim about election fraud is disputed."

It has NOT been disputed @jack

My husband did NOT request an absentee ballot or send one in.

But when he went to vote in person, they told him he had already voted.

I was not allowed to quote tweet @realDonaldTrump's post about Michigan's VOTER FRAUD investigation with the statement: STOP THE STEAL!

What the heck is happening?

> Any R now promoting rejection of an election or calling to not to follow the will of voters or making baseless allegations of fraud should never serve in office, join a corporate board, find a faculty position or be accepted into "polite" society. We have a list.

Important statement from @RepDougCollins!

Spread this far and wide.

Demand @GaSecofState complete these crucial actions!

are three things we are formally requesting today from Secretary of State Brad Raffensperger. First, there must be a full comparison of absentee ballots cast and in-person and provisional ballots cast throughout the state. Second, there must be a check for felons and other ineligible persons who may have cast a ballot. Third, and most importantly, the Secretary of State should announce a full hand-count of every ballot cast in each and every county due to widespread allegations of voter irregularities, issues with voting machines, and poll watcher access. Tell @GaSecofState to complete the steps necessary to STOP THE BIDEN STEAL!

1. Verify no double voting with absentee ballots

2. Purge ineligible votes from felons and others

3. Most importantly, Georgia MUST have a RECOUNT BY HAND due to irregularities

Georgia needs a full audit.

Fixing the irregularities in Gwinnett, and Henry county are enough to flip the state to Trump.

Gwinnett - Clinton won by 6% in 2016. Turnout increases by 30% in 2020 - 80% of those votes are for Biden.

CLOSE THE LOOPHOLE!

The GA State Legislature MUST shut down out-of-state voters swooping in to STEAL our U.S. Senate seats for Stacey Abrams and the Democrats.

People that voted in another state's general election shouldn't be able to vote in Georgia's runoffs.

It's not right!

Fire Brad Raffensperger!
Georgia must get this right!

> **Donald J. Trump** @realDonaldTrump
> Georgia Secretary of State, a so-called Republican (RINO), won't let the people checking the ballots see the signatures for fraud. Why? Without this the whole process is very unfair and close to meaningless. Everyone knows that we won the state. Where is @BrianKempGA?

The media doesn't decide who becomes President.

I'll always fight for what's right and I'll always fight for @realDonaldTrump.

I know you will too.

Strict mask mandates & forced social distancing violate Americans guaranteed freedom of life, liberty, and pursuit of happiness.

Draconian mandates must end.

Americans should be able to choose a masks or not, and more importantly how many loved ones they invite to Thanksgiving.

Watching woke white progressive blue check marks defend killing babies is like watching @SpeakerPelosi sing Jesus loves the little children on Sunday, then voting for tax payer funded murder on Monday.

If you care about people dying, care about the millions of unborn PEOPLE.

Why did this happen in Republican controlled Georgia?

Why did Georgians foot the bill for these POS Dominion voting machines?

This is a disgrace to the fine people of our state.

Call @GaSecofState Brad Raffensperger at 770.845.3205, demand answers!

> **Donald J. Trump** @realDonaldTrump
> The Consent Decree signed by the Georgia Secretary of State, with the approval of Governor @BrianKempGA, at the urging of @staceyabrams, makes it impossible to check & match signatures on ballots and envelopes, etc. They knew they were going to cheat. Must expose real signatures!
